Monday, 28 April
Agenda

Morning Tutorials

8:00 AM	COFFEE & REGISTRATION
8:30 AM	CONCURRENT TUTORIALS

Hands-on: Building Composite Applications with SCA and SDO
Doug Tidwell, Senior Technical Engineer, IBM; Jean-Sebastien Delfino, Senior Technical Staff Member, IBM Burlingame Lab and Raymond Feng, Senior Software Engineer, Open Source SCA Development, Apache Tuscany Project, IBM Burlingame Lab

Semantic Business Process Management
Agata Filipowska, Teaching and Research Assistant, Poznan University of Economics

Composing Meaningful Documents with UBL
Tim McGrath, Managing Director, Document Engineering Services Ltd.

Technology and Standards for Self-Optimizing SOA Deployment
Zeng Xiao, Director of Standards, Changfeng Alliance

|	
10:00 AM	COFFEE BREAK
10:45 AM	ADDITIONAL CONCURRENT TUTORIAL

Effective Standards Work
Wlliam Cox, Principal, Cox Software Architects LLC

Who Should Attend?

This annual conference brings together the best minds from around the world to explore the business value driving SOA deployments, the standards that help build useful composite applications, and the future of SOA in building business value. Enterprise architects, CTOs, senior business strategists, chief operating officers, CIOs, IT implementers, project and program managers, system integrators, and senior IT decision-makers will all be converging on Santa Clara at the largest gathering of SCA & SDO professionals. Speakers, attendees and supporters of these aspects of SOA all look forward to sharing new insights while learning from the broad network of IT professionals who are committed to excellence in Composability within SOA.

Tutorials continue

Afternoon Tutorials

1:30 PM   CONCURRENT TUTORIALS

Securing Data Across the Enterprise Using SOA
Arshad Noor, CTO, StrongAuth Inc.

Open Standards and Implementations for e-Government Interoperability Frameworks
Adomas Svirskas, Researcher, Institute Eurécom

Advanced Topics in SCA
Michael Rowley, Office of the CTO, BEA Systems

SOA Reference Architecture and Model
Frank McCabe, Research Scientist, SandPiper

3:30 PM   COFFEE BREAK

3:45 PM   ADDITIONAL CONCURRENT TUTORIAL

Deploying Composable Solutions
Brent Miller, Senior Technical Staff Member, IBM and Randy George, Senior Technical Staff Member, IBM

5:30   TUTORIALS END

* Attendance at tutorials is free with Symposium registration and also available separately. Signup for these events is required and allocated on a first-come first-serve basis.

Tuesday, 29 April
Agenda

8:15 AM   COFFEE & REGISTRATION

8:45 AM   OPENING PLENARY SESSION

Welcoming Remarks
Eduardo Gutentag, Chairman, OASIS Board of Directors

Communications Enabled Applications — An Evolution to the Next Value Plane?
Peter Carbone, Vice President, SOA, Nortel

9:30 AM   ENTERPRISE MASHUPS SESSION

Personalized Declarative Mashup Framework for SOA Enabled Enterprise
Rakesh Saha, Lead Developer, Oracle Fusion Middleware Integration Platform

Mashups for Composite Enterprise Applications
Umit Yalcinalp, Architect/Scientist and Shel Finkelstein, Research Director for Advanced Web Technologies, SAP Labs

10:30 AM   BREAK

11:00 AM   EERP: PERFORMANCE-BASED SOA SESSION

Designing QoS-Driven SOA in the EERP Project
Andy Lee, Director, ChangFeng Alliance

Knowledge-Based Service Quality Assurance for Korea e-Government
Youngkon Lee, Professor, Korea Polytechnic University

Business Goal-Driven Optimization of Business Process in EERP
Wei Guo, Senior Researcher, DigitalChina

End-to-End Resource Planning and its Application in Agriculture Supply Chain
Qigang Zhao, Researcher, Ebridge China Ltd.

Press Event

OASIS is planning to host a press briefing to showcase SCA exhibitors at the event. The briefing is scheduled for Tuesday, 29 April, at noon, in the symposium exhibit room. Editors will be introduced to all the exhibitors and given ample time to conduct personal interviews.

We encourage all Open CSA members to take advantage of this opportunity to be recognized for your support of SCA, whether or not you choose to demo products.

There are a limited number of table-top spaces still available at a cost of $6,000.

For more information about the press briefing, please contact Carol Geyer at carol.geyer@oasis-open.org.

Tuesday agenda continues

12:30 PM   LUNCHEON, sponsored by Primeton

2:00 PM   ARCHITECTURE ISSUES (PART 1) SESSION

Real-world Considerations and Uses of Web Service Transactions in SOA
Ian Robinson, WebSphere Transactions Architect, IBM

Can I Call You Back? Building Solutions with Asynchronous Services Using SCA
Mike Edwards, Strategist, Emerging Technologies, IBM

Asynchronous Composition
Pyounguk Cho, Principal Product Manager, Oracle

3:30 PM   BREAK

4:00 PM   SERVICE COMPONENT ARCHITECTURE (SCA) SESSION

SCA: Flexible and Agile Composition of Distributed SOA Applications
Mike Edwards, Strategist, Emerging Technologies, IBM

Policy-Enabling the SCA-based SOA
William Barnhill, Software Engineer, Booz Allen Hamilton

SCA Programming for the Enterprise Service Bus
Ankur Bhatt, Software Architect and Vladislav Bezrukov, Senior Software Developer, SAP AG

The All-Singing All-Dancing Composite Application
Doug Tidwell, Senior Software Engineer, IBM

6:00 PM   COCKTAIL RECEPTION, sponsored by Software AG

http://events.oasis-open.org/home/symposium/2008/

Wednesday, 30 April
Agenda

8:15 AM   COFFEE & REGISTRATION

8:45 AM   PLENARY SESSION

Keynote Presentation
Doug Shoupp, Principal, Deloitte Consulting LLP

9:30 AM   TOOLS & TECHNIQUES SESSION

Service-Oriented Ajax: Existing Tools Emerging Standards
*Kevin Hakman, Director, Developer Evangelism, Co-Founder,
General Interface Enterprise Ajax Toolkit, TIBCO Software*

**Using Mapping Relations to Semi Automatically Compose
Web Services**
Marwan Sabbouh, Principal Engineer, The Mitre Corporation

10:30 AM   BREAK

11:00 AM   EXPERIENCE REPORTS SESSION

**Performance Evaluation of eGovernment Service-Based on
EERP Technology**
Zhou LiHong, Vice President, RiseSoft Ltd.

**Composite Applications: Can We Learn from Web Service
Composition?**
*Ian Jones, Web Services, B2B & SOA International Standards
Manager, British Telecommunications plc*

Recent Advances in Geospatial Service Chaining
*Raj Singh, Director Interoperability Program, Open Geospatial
Consortium*

12:30 PM   LUNCHEON

OASIS AGM

The OASIS Annual General Member Meeting (AGM) will be held at the Symposium. This once-a-year event provides a members-only opportunity to review and respond to a state-of-the-union address presented by the OASIS Board of Directors.

Feel free to submit your questions for the AGM in advance to member-services@oasis-open.org. All OASIS members are strongly encouraged to attend this AGM. There is no cost to attend the meeting; however, advance sign-up is required.

Wednesday agenda continues

 2:00 PM   ARCHITECTURE ISSUES (PART 2) SESSION

Architectural Alternatives for SOA Composition and Their Implications for Security
Hal Lockhart, Principal Engineering Technologist, BEA Systems

Service Aggregations in Emergency Management: Registry-Repositories in a SOA Ecosystem
Rex Brooks, President & CEO, Starbourne Communications Design

Repurpose Compose Profit - SOA Next Generation Infrastructure
William Cox, Principal, Cox Software Architects LLC

3:30 PM   BREAK

4:00 PM   CLOSING PANEL: SOA WITHIN THE VERTICAL INDUSTRIES
Moderator: Claus von Riegen, Director of Technology Standards, SAP AG

   * *David Staggs, Chief Health Informatics Office, Emerging Health Technologies, U. S.
     Veterans Health Administration*
   * *John Turato, Chairman, OpenTravel Board of Directors and Vice President of Technology,
     Avis Budget Group*
   * *John Wilmes, Chief Technical Architect, Progress Software and TM Forum Representative*

5:00 PM   MINI-BREAK

5:15 PM   OASIS Annual General Member Meeting

6:15 PM   SYMPOSIUM RECEPTION, sponsored by SAP AG

HOTEL RESERVATION DISCOUNT EXPIRES ON 11 APRIL!

A block of rooms have been reserved at the Santa Clara Marriott for Symposium attendees. OASIS has arranged a special rate of $189++ SD/single and double. OASIS has also arranged for complimentary high-speed internet access in the sleeping rooms. Attendees are able to make reservations by calling +1.408.988.1500 and referring to the group "OASIS Symposium".

Registration

THE EARLY-BIRD DISCOUNT ENDS ON 17 MARCH.
Register now using the online form.

OASIS Member: 550 USD
OASIS Member Group Rate:*   440 USD
Non-Member Rate: 700 USD
Non-Member Group Rate:*   560 USD

The meeting fee includes access to the pre-Symposium tutorials, all sessions on Tuesday & Wednesday, luncheons (Tuesday & Wednesday), coffee breaks, reception (Wednesday) and associated materials.

* The Group rates listed above are for those organizations sending three or more individuals to the event. All individuals will need to register separately using the online system; however, all group registrations must be completed within the same week. Each individual registering using the group discount will need to provide two names of persons registering from the same company. Group registrations will be verified using those names provided within a week of the initial registration.
